25X1

1. All Security Committee members unanimously approved the attached draft revision of DCI security policy applicable to foreign travel and assignment of personnel with access to SCI. The revision (a) includes terrorism among the subjects covered in defensive security briefings for SCI-accessed personnel, and (b) formats the policy into a DCID with appropriate non-substantive editorial changes. Changed portions of the attached revision are highlighted. There is no change in basic policy on the subject. A copy of the current version is forwarded for reference.

25X1

2. Options include:

- a. Send the revision to NFIB/NFIC members for formal coordination; and
- b. Authorize the revision to be printed and disseminated to the Community without further coordination.
